Improvement Report

Regarding your improvement:

1. What was it like before you came in to see us?

Bad, I was about to go through chemo therapy. I was feeling sick, tired, never hungry, and sad. I was diagnosed to Hodgkins disease. I had a big bump (tumor) on my neck.

2. How is it now?

Good, I'm done with chemo, I feel good, happy, and energetic. The cancer's gone and the ~~big~~ bump went down. I'm on a diet of no ~~starch~~ sugar and no starch. I'm taking supplements. ~~Both~~ Both the diet and the supplements helped me get well.

This information is for our records and to help us educate others about what we do.
